AMY MUMMERT

Junior Software Engineer

Longview, WA | 360-984-0544 | armummert4@gmail.com | www.amymummert.com | linkedin.com/in/armummert

A junior software engineer specializing in frontend and full-stack development, applying skills in React, Next.js, Typescript, Javascript, PostgreSQL, FastAPI, and Python to build innovative, user-focused applications. Proficient in test-driven development, debugging, and version control, with a commitment to delivering high-quality software that drives business success.

PROFESSIONAL EXPERIENCE

Planned Career Break, Longview, WA 2016-Present

Full-time Caregiver | Small Business Owner

An intentional pause to focus on full-time caregiving, household management, and continuing education.

- Started a freelance photography business, Pebble Bridge Photo & Design.
- Performed tasks for Amazon Mechanical Turk and Upwork capturing images for human intelligence recognition.
- Returned to higher education to obtain my bachelors degree in computer science.

Washington County Sheriff's Office, Hillsboro, OR 2009-2016

Deputy Sheriff

After graduating from Oregon State Police Academy in 2009, I was a first responder to the various needs of the citizens of Washington County. Enforcing traffic and criminal law and responding to calls involving crime and civil needs. I performed investigations, rendered aid, and made arrests as necessary. I earned a Life Saving award for saving the life of a citizen in a mental health crisis.
